

2014-15 Register of Interests

Reach Academy Feltham

As an academy we are required to publish the register of interests for Members and Governors (Trustees) of the academy trust on our website. It is a requirement that the academy trust's register of interests captures relevant business and pecuniary interests of members, trustees, and senior employees, including:

- directorships, partnerships and employments with businesses that provide goods or services to the trust; •
- trusteeships and governorships including at other educational institutions and charities irrespective of whether there is a trading relationship with the trust; and
- for each interest: the name of the business, the nature of the business, the nature of the interest, and the date the interest began.

There is a standing agenda item in meetings for the declaration of interests. The following interests have been declared by Members and Governors of the academy:
