# Reach Academy Feltham - Sixth Form Tuition Fund

## SUMMARY INFORMATION

Total tuition fund budget:	£488
----------------------------	------

## STATEMENT

During the Autumn Term, Reach Academy Feltham has been providing additional Maths tutoring to 4 of our GCSE 'Take 2' students in Years 12 and 13. The two hour-long weekly tutoring sessions from September to November, plus extra revision sessions in the immediate run up to the exams has been made available to all pupils who are retaking their Maths GCSE qualification. The tutoring has been provided by one of our Maths teachers, and we have used our 16-19 tuition fund to cover some of these costs.

## Planned expenditure for current academic year

---

Targeted support					
Action	Intended outcome and success criteria	What's the evidence and rationale for this choice?	How will you make sure it's implemented well?	Staff lead	When will you review this?
Small group GCSE Maths tuition with a maths teacher - 2 hour weekly tutoring sessions from September-November with a qualified maths teacher.	Pupils to achieve a Grade 5 in their maths GCSE.	The funding is being provided to support small group tuition for 16 to 19 students in maths. The students supported all need to be those who had not achieved grade 5 or above in at least one of those subjects at this level by age 16. All supported students must be on a 16 to 19 study programme.	Data analysis, progress and results	Secondary Headteacher	Autumn term
Total budgeted cost:					£770
