Disclosure This post is classified as having substantial access to children, and appointment is subject to an enhanced police check of previous criminal convictions (CRB). Applicants are required, before appointment, to disclose any conviction, caution or binding over including 'spent convictions' under the Rehabilitation of Offenders Act 1974 (Exemptions) Order 1975. Non-disclosure may lead to termination of employment. However, disclosure of a criminal background will not necessarily debar individuals from employment – this will depend upon the nature of the offence(s) and when they occurred. **Short listing** Short listing will occur after ASAP with interviews taking place in the following 2 week period. **Interview** Candidates will be subject to an in-depth, in-person interview and assessment, along with a telephone interview in some circumstances. At each stage of the process candidates will be asked to address any discrepancies, anomalies or gaps in their application form or arising from information gained at the previous stage of the recruitment process. **Reference checking** References from the previous and current employers will be taken up for shortlisted candidates, possibly before interview, and where necessary employers may be contacted to gather further information or address any discrepancies, anomalies or gaps in the reference provided. **Probation** All new staff will be subject to a probation period (which may, in certain circumstances, be extended by up to 10 weeks). The probation period is a trial period, to enable the assessment of an employee's suitability for the job for which they have been employed. It provides Reach Academy with the opportunity to monitor and review the performance of new staff in relation to various areas, but also in terms of their commitment to safeguarding and relationships with pupils. **Equal Opportunities** Reach Academy is dedicated to providing equal opportunities and will monitor the recruitment process rigorously to ensure fair access and opportunity for all.
